Step into the future

Are you an Established Auction house, newly licensed or just new to the auction industry?

As an experienced auctioneer the internet has become a powerful tool for increasing the bottom line. Auctioneers across the country are seeking a quality online auction platform with quality support and more exposure. Auction Spear provides both and much more.

Newly licensed auctioneers now have a state-of-the-art go-to platform with a proven successful track record and support team that helps you build and establish your new online auction business.

If you are not a licensed auctioneer but want to build your own online auction business, Auction Spear can help. The Auction Spear system provides the platform and training to get your own online auction business rolling regardless of experience level.

Your Success is our Success

THE AUCTION SPEAR EXPERIENCED, LICENSED AND ACCREDITED STAFF IS HERE TO SUPPORT YOU AND HELP YOU SUCCEED

The Auction Spear team fully understands the need for quality support with experience, education and high integrity. With two Texas based licensed & experienced auctioneers, a NAA certified Appraiser, a Six Sigma process expert, and professional photographer, Auction Spear is here to help you succeed.

Auction Spear auction teams have processed and closed thousands of successful online auctions. With each auction we strive to improve for the next. We want to share our experience and insights with you and your team to help you succeed. We are always a phone call, text or email away.

Your support team includes

- Two licensed Auctioneers with combined 20 years experience
- NAA certified Master Personal Property Appraiser
- Six Sigma processing expert
- Independent Associate network
- Professional photographer
- Web based click by click training videos

Technology at work for you

THE LATEST STATE OF THE ART USER FRIENDLY ONLINE AUCTION PLATFORM SOFTWARE.

With the easy access user friendly Auction Spear online auction software, you will enjoy the easy to use online auctioneer admin dashboard. Loaded with tools to help you build and publish a successful online auction.

The Auction Spear online platform includes a complete Key Performance Indicator (KPI) system that tracks vital information to help stream line your auctions and tailor them to the markets and buyers who seek your product.

The Auction Spear platform stores all past auctions and bidding activity making it simple for both buyers and sellers to view at any time. This provides full transparency for all to see.

Secure online auction system

THE AUCTION SPEAR SYSTEM IS UPDATED REGULARLY TO PREVENT SECURITY BREACHES AND ADWARE SPYWARE INCURSIONS

INTEGRITY

Many online auction companies now have the ability to see bidding activity in the back admin and have the ability to manipulate those bids through illegal puffing of bids.

The Auction Spear online auction platform locks out administrators from making bid adjustments prior to the close of an auction thereby ensuring the integrity of both the bids placed and the auction company as well.

STATE OF THE ART

- ULTRA USER FRIENDLY
- SIMPLE BULK UPLOADS
- EASY BAR CODE TAG SYSTEM
- KPI TRACKING SYSTEM
- SIMPLIFIED TAX REPORTS
- AUTOMATED INVOICING
- AUTOMATED EMAIL NOTICES
- COMPLETE AUCTION HISTORY
- UPDATED REGULARLY
- CUSTOMER DASHBOARD
- EXTENDED BIDDING
- UPDATED SECURITY PROTOCOLS
- ONLINE PAYMENT CAPABILITIES
- TRANSPARENT BID HISTORY
- SELLER SETTLEMENT REPORTS

WHAT'S THE COST TO START?

Our system is simple and affordable for anyone who desires to start their own online auction business. We offer two affordable price plans to get you started with your own online auction business.

Membership

One simple payment of \$649.00 to get started right away. Gain access to our extensive online training toolbox and get started today.

Current licensed Auctioneers receive a \$100 discount on initial start up fee.

Estate Sale companies receive a \$100 discount on initial start up fee.

LOW START UP COSTS

Auction Spear is here to support your success. We understand that starting your own business or expanding a current business can be costly. We have researched the market and are confident we offer a lower start up cost with more benefits and support than a majority of Auction Spears competitors.

RETURN ON INVESTMENT

With a low start up cost it is relatively simple to recoup the initial fee with just one auction. The Auction Spear team will help and support you through the process as quickly as you would like to progress. Most new Independent Associates have closed their first auction within 45 days or less and recovered their initial start up fee plus profit.

NO MONTHLY OR ANNUAL FEES

No monthly or annual fees, only a one-time start up fee and you keep 100% of your contract commission plus applicable bonuses.

ALREADY A LICENSED AUCTIONEER OR ESTATE SALE COMPANY?

Receive a \$100.00 discount off of the initial set up fee, if you are a current licensed auctioneer in good standing with the state licensing board or an established estate sale company.
