How to Buy Real Estate at Auction

Buying at a Hurley auction is easy and fun. We are dedicated to providing the best possible experience for our buyers.

- ❖ Do your homework! Inspect the property and review the information packet. We want you to be comfortable and confident about your purchase.
- ❖ **What does the term “Reserve” mean?** Under a reserve auction the auctioneer will submit the highest and best bid to the seller. The seller has the right to accept or reject that bid.
- ❖ **What does the term “Absolute” mean?** In an absolute auction, the property will be sold to the last and highest bidder regardless of price.
- ❖ **Do I need to pre-qualify?** No. We normally do not require any pre-qualification to bid. However, if you intend to obtain bank financing, the bank will require you to qualify for their loan. The deposit you make on auction day is not contingent upon financing. Financing information can be found on the last page of this packet.
- ❖ You will need a down payment as described in the general information section.
- ❖ Gather all available information and determine what the property is worth to you.
- ❖ The auction will begin promptly at the scheduled time. You should arrive at least 30 minutes early to register with our cashier. You will need your driver’s license or another form of photo ID.
- ❖ Listen carefully to all announcements made the day of the auction. Please ask any questions you may have.
- ❖ When the auction actually begins, the auctioneer will ask for bids. He will say numbers until someone in the crowd agrees to offer the amount asked for. For example, the auctioneer may ask for \$100,000 and he may need to come down to \$75,000 until somebody agrees to bid. At this point the action begins and the bidding begins to go up. The auctioneer will call out the next bid he is looking for. If you are willing to pay that amount simply raise your hand. There may be several people bidding at first so don’t be shy, raise your hand. If you feel the auctioneer doesn’t see you, don’t be afraid to wave your hand or call out. Eventually everyone will drop out but one bidder. At this point, if the property reaches an amount approved by the seller, the property will be sold to the high bidder. If it doesn’t reach a price acceptable by the seller, the high bidder may then negotiate with the seller.
- ❖ If you are the winning bidder, you will then be declared the purchaser and will be directed how to finalize the sale by signing the sales agreement and paying the required down payment.
- ❖ It is the Buyer’s responsibility to schedule the settlement with the desired settlement company. If you need assistance in locating one near you please contact us.

Easy as 1,2,3!!!!!!!. Purchasing at auction is fun & dynamic. Enjoy the experience. If you have additional questions about auctions, please contact Hurley Auctions at 717-597-9100.
