TERMS AND SPECIAL NOTES

There is a 15% Buyer's Premium (discounted to 12% for cash/check purchases) in effect for this sale.

The firearm descriptions contained herein are believed to be correct; however, we do not guarantee or warrant the accuracy or completeness of the information. Bidders should inspect any firearm they are interested in to confirm specific details. All firearms are sold "as-is."

Unless indicated otherwise, all gun purchases require a criminal background check for the purchaser. Purchasers must be over 18 years of age to obtain a rifle or shotgun and over 21 years of age to obtain a handgun. Non-Virginia residents can only purchase rifles or shotguns (not handguns) unless they are a Federally Licensed Firearms Dealer, have a Curio & Relic license and are purchasing qualifying firearms, or unless they are having the firearm sent to an FFL holder in their state for transfer. A \$2.00 fee is charged to Virginia residents and a \$5.00 fee is charged to Non-Virginia residents for the required criminal background check. Any non-FFL holder purchasing a handgun will also be required to purchase a trigger lock at a cost of \$7.35.

All firearms must be paid for in full before the processing and criminal background check can take place. Acceptable forms of payment are cash, cashier's check or money order, personal/business check (with valid ID), Visa, MasterCard, or Discover.

If a purchaser pays for a firearm and is then unable to receive the firearm due to a "Deny" following the criminal background check (or for any other reason), the firearm will be resold for the purchaser in a future auction, as we are obligated to pay the current consignor based on the hammer price of the item. The reselling of the firearm for the "new" purchaser could result in a "profit" or a "loss." This also applies to firearms purchased by any non-Virginia resident being shipped to an out-of-state FFL holder for transfer.

All purchases of post-1898 firearms require a criminal background check in compliance with Federal and Virginia State Law. Purchasers of post-1898 firearms must complete federal and state criminal background check forms at Green Valley Auctions & Moving, Inc., 2259 Green Valley Lane, Mt. Crawford, VA 22841. Dealers must present a copy of their Federal Firearms License with an original signature the day of sale in order to purchase firearms without completing the criminal background check.

If any firearm is shipped to another FFL holder for transfer, all shipping charges, materials, and labor will be charged to the purchaser.

Handguns must be shipped next-day air, without exception.

ID REQUIREMENTS

Purchasers of firearms must meet both the FEDERAL and the STATE requirements below:

Federal Requirements—

Purchaser MUST provide a government-issued photo-ID with name, residency address (not PO Box), and date of birth.

If the photo-ID provides a PO Box, then a combination of government-issued documents may be provided to satisfy the above requirement.

State Requirements—

Purchaser MUST provide both a primary and a secondary ID.

Primary ID MUST consist of a valid photo-ID form issued by a governmental agency of the Commonwealth (residents) or of the purchaser's home state (nonresidents).

The ID MUST provide the purchaser's name, sex, and date of birth.

The issue date of the photo-ID MUST be 30 days (or more) prior to the transfer of the firearm.

Secondary ID MUST show an address identical to that shown on the photo-ID.

Acceptable forms of secondary ID include:

- A current lease.
- Evidence of currently paid personal property tax or real estate tax.
- A current utility or telephone bill.
- A current voter registration card.
- A current bank check. A current automobile registration.
- Hunting or Fishing license.

If Green Valley Auctions & Moving, Inc. is uncertain as to whether or not the presented documentation meets the requirements set above, the transfer will be delayed until the Virginia State Police and/or the ATF can be contacted for clarification.

A photocopy of your driver's license, as well as all other documents used to meet the ID requirements, will be made and kept with the records for your transaction.
